

**REMARKS**

The following remarks are made in response to the Office Action mailed January 11, 2006, in which claims 19-23 and 25-27 were deemed to be drawn to a separate invention than claims 28-34 as part of a restriction requirement.

With this Amendment and Response, claims 28-34 have been cancelled without prejudice.

Claims 19-23 and 25-27 are elected without traverse and as such remain pending in the application.

**CONCLUSION**

Claims 19-23 and 25-27 are believed in condition for allowance, and notice to that effect is respectfully requested.

Respectfully submitted,

Date: 1/23/2006
